

Dear Crafter,

Enclosed please find an application for the 2006 Iris Festival Arts and Crafts section. The Festival will be held at the beautiful Swan Lake Iris Gardens in Sumter, S.C., on May 26-28, 2006. The Iris Festival is one of the oldest festivals in South Carolina and is consistently listed as one of the top 100 festivals in the United States.

Items in the Arts and Crafts section must be handcrafted. No items that have been purchased for resale will be allowed in this area. If your merchandise does not qualify as arts and crafts, you may be interested in applying for the Market Place area instead. Any vendors selling merchandise other than handcrafted items will be asked to leave without refund.

Arts and Crafts will be located near the entrance to the Gardens, across from the Sumter Visitor's Center. This is the same location that worked very well last year. While there is no vehicle access in this area, there will be a one hour loading and unloading area located at the entrance gate. Because no vehicles may be driven inside the gates, you may bring a hand truck or whatever is needed to quickly transport your items. Unfortunately, the Iris Festival is unable to provide personnel or hand trucks to help with the loading and unloading.

Please read the application carefully. If you feel you do not meet the qualifications for Arts and Crafts, please request the Market Place application. If you are not sure or have further questions, please call the Swan Lake Visitor's Center 1-800-688-4748. We hope to see you May 26-28 for another spectacular year in the Gardens!

Sincerely,

Iris Festival Commission
